REPORTING GUIDELINES FOR ABUSE AND HARASSMENT

INTRODUCTION

Rotarians, their families, and non-Rotarian volunteers are expected to use their best effort to safeguard the welfare of and prevent the physical, sexual, and emotional abuse, harassment and neglect of every student with whom they come into contact.

Rotary International and District 5000 are committed to protecting the safety and well-being of all youth program participants and will not tolerate their abuse or neglect. Allegation Reporting Guidelines

For those by all persons whom a student reports an incident of abuse, neglect or harassment. Any person to whom a student reports an incident of abuse, neglect or harassment is responsible for following these Allegations Reporting Guidelines.

1. REPORT FROM THE STUDENT OR OTHER YOUTH PROGRAM PARTICIPANT.

(a) **Listen attentively and stay calm.** Acknowledge that it takes a lot of courage to report abuse/neglect or harassment. It is appropriate to listen and be encouraging. Do not express shock, horror or disbelief.

(b) **Assure privacy but not confidentiality.** Explain that you will have to tell someone about the abuse/neglect to make it stop and to ensure that it does not happen again to them or to other students.
(c) **Get the facts, but don’t interrogate.** Ask the student questions that establish what was done and who did it. Reassure the student that she/he did the right thing in telling you. Avoid asking “why” questions. Remember, your responsibility is to present the student’s story to the proper authority.

(d) **Be non-judgmental and reassure the student.** Do not be critical of anything that has happened or anyone who may be involved. It is especially important not to blame or criticize the student. Assure the student that the situation was not their fault and that they were brave and mature to come to you and report the issue.

(e) **Record.** Keep a written record of the conversation with the student as soon after the report as you can, including the date and time of the conversation. Use the student’s words and record only what has been told to you.

2. **PROTECT THE STUDENT**

   Ensure the safety and well-being of the student. If at all possible, remove the student from the situation immediately and all contact with the alleged abuser. Give reassurance that this is for the student’s safety and is not a punishment.

3. **REPORT TO APPROPRIATE AUTHORITIES**

   It is the policy of District 5000 to ensure appropriately prompt notification of allegations of abuse, neglect or harassment of youth program participants, in compliance with all applicable state laws and statutes. Under Section 350-1.1 of the Hawaii Revised Statutes, as amended from time to time, persons who believe that child abuse or neglect has occurred or that there exists a substantial risk that child abuse or neglect may occur in the reasonably foreseeable future, should immediately report the matter to the Child Welfare Services, Social Services Division. Department of Human Services, or the Police Department. D5000 policy requires that all cases of sexual abuse first be reported to the appropriate state’s sexual assault response representative for each respective county first and then to the club and district leadership for investigations. The representatives from the sexual assault treatment programs will advise the host club and district representative as to the reporting requirements on a case by case basis. In cases of non-criminal harassment, the District’s Youth Exchange Officer and District Governor are responsible for investigating and will be in contact with the alleged offender after the student has been moved to a safe environment.

   Upon notification to proper officials, the reporter shall then contact the District Protection Officer concerning the filing of a report on behalf of the student. Also, information concerning the location of the Rotary Youth Exchange Student should be provided to the Club Rotarian Counselor, as well as at the district level, to ensure the student’s continued safety. The district is responsible for notifying the RYE student’s family in the country of origin, as well as other member with the district responsible for investigating/continuing care of the student. All allegations will be reported to RI within 72 hours; the person responsible for doing so is the District Governor.
4. **AVOID GOSSIP AND BLAME**

Do not tell anyone about the report other than those required by the guidelines. Care must be taken to protect the rights of both the victim and the accused during the investigation. Information concerning the alleged report will not be disclosed to any individual unless mandated for the purpose of investigation. Failing to adhere to this policy could open up the “reporter,” club and/or district to unwanted litigation.

5. **DO NOT CHALLENGE THE ALLEGED OFFENDER**

The adult to whom the student reports must not contact the alleged offender. Abuse and neglect interrogation must be left entirely to the proper authorities.

6. **FOLLOW-UP**

After reporting allegation to the Rotarian counselor and District Youth Protection Officer, follow-up to make sure steps are being taken to address the situation. Any adult against whom an allegation of abuse, neglect, or non-criminal harassment has been made will be removed from all contact with youth until the matter is resolved.

Responding to the Needs of the Student

There will need to be a cohesive and managed team approach to supporting the student after an allegation report. The student is likely to feel embarrassed, confused, and may become withdrawn and appear to be avoiding members of the host family or club. After a report of harassment or abuse, students may or may not want to remain on their exchange. If they do, they may or may not want to continue their relations with the hosting Rotary club depending on the circumstances. In some cases, a student may wish to remain in country, but change to a different host club.

It may be difficult for club members and host families to understand how the student is feeling, but it would be helpful for the student to know that the club remains a support for them. Club members and host families may experience ambiguity toward their roles and may feel unclear regarding their boundaries. However they need to do whatever is necessary to reassure the student of their support at all times.

Appropriate Response for Addressing Issues Within the Rotary Club for Allegations Made Against Rotarians and Non-Rotarians

When addressing an allegation of abuse or harassment, the most important concern is the safety of the students. Club members should not speculate, make editorial comments, or offer personal opinions that could potentially hinder any police or criminal investigations. Club members should be cautioned about speculating or commenting on the matter during and after the investigations. Comments made about the alleged victims in support of the alleged abusers do not support our statement of conduct or Rotary ideals. Comments made against the alleged abuser could lead to a slander or libel claim filed against Rotarians or club by the alleged abuser.
